Greetings from the Cass Tech 1972 Class Reunion Committee!

We are excited to let you know that the CT Class of 1972 is hosting a 50th Reunion Gala Weekend on August 26 through August 28. The weekend begins with a Munch and Mingle Reception, then our "Simply the Best" Gala event will take place at the historical Roostertail on the Detroit River. Our weekend will close with a relaxing cruise and brunch on the Princess Riverboat.

We are selling full and partial-page ads in our 50th Reunion Commemorative Souvenir booklet with the goal of raising money to donate to Cass Tech's student enrichment programs. Purchasing space in this beautiful booklet serves as a keepsake and will forever have sentimental value. You may choose to place a commercial ad to promote your business; share a family or favorite picture; publish a congratulatory message; or note of remembrance. In addition to appearing in the booklet, the images and messages in our Commemorative Souvenir booklet will also be continuously displayed on our video media screens at both our Munch & Mingle and Gala Event.
